Standard Editing – All photos will have adjustments of contrast, brightness, saturation, tint, gamma, etc. and will include color tones and filters. A selection of close-up portraits will have skin airbrushing, teeth whitening, and retouching.

Advanced editing – All photos will have adjustments of contrast, brightness, saturation, tint, gamma, etc. and will include color tones and filters. All posed portraits will have advanced edited including skin airbrushing, blemish & acne removal, teeth whitening, hair/makeup retouching, object removal (such as unwanted shadows and telephone poles), grass coloring & enhancing, and vignetting.

Photography Packages for 2016 - 2017. Prices are subject to change. Photos will be sorted, edited, and then placed on a CD at high resolution with a print release form. This allows the client to print unlimited copies at various sizes. Additional CDs are \$50 each. Free photographer travel within 10 miles of zip code 15478. For extra mileage, add \$1 per mile (round trip).
